| Suggestions for Improvement: | Kylee, you are very aware of your classes needs. Great job. You used multiple management strategies (eyes on me, wait time, stomp if you hear me, thumbs up/down for understanding). One small area to consider is: when students are this excited about their learning be sure to plan how to move in a safe way from area to area. You saw this happening and immediately fixed student behavior as it was happening. Great work! |
| Overall Rating: | Proficient |
| Suggestions for Improvement: | Awesome work. Your communication, planning, relationship and professional skills are very advanced for someone at your level. Keep up the great work. |
